Help us preserve the lighthouses and towers maintained by the Sable Points Lighthouse Keepers Association by purchasing a trex board. These boards are becoming the new walkway around the Big Sable Point Lighthouse, the gift shop at Little Sable Lighthouse, and the wheel chair ramp at the White River Light Station

Each trex board will be engraved with up to 25 characters on one line, including commas and spaces, with a two line maximum. The cost is only $100. Reserve your place in history by purchasing a board in memory of a loved one or with your families name for future lighthouse visitors to see.
