## Leave a Print in the Sand

Help us preserve the lighthouses maintained by Sable Points
Lighthouse Keepers Association by purchasing a trex board. These boards make up the walkway around Big Sable Point
Lighthouse, the gift shop at Little Sable Point Lighthouse, and the wheelchair ramp at the White River Light Station.

Each trex board will be engraved with up to 25 characters on one line, including commas and spaces, with a two line maximum. The cost is \$200.

Trex boards are guaranteed for five years. If the board becomes too worn down after this time, the trex board donor will be contacted to reinstall a new board.

## To Order Your Board

Fill out the order form exactly as you would like your board to be engraved. Please check your spelling and remember spaces and punctuation are counted as one of your 25 characters.

Visitors to Big Sable enjoying the walkway.

New boards will be engraved and assembled as the orders are received, then installed at the lighthouse of your choice.

SPLKA will notify you when your board is placed. Placement of trex boards within the walkway is at the discretion of the SPLKA staff.
